# Chair's Report

Hello again Everyone,

Well, this financial year has definitely been one to remember! The whole world has all been challenged and stretched. All the more so for our young people and their families!

During lockdown, we continued to keep in touch and support our young people and their families. Sylvia, Colin G. and Carol along with some of our volunteers and board members did this with regular phone calls, video calls and emails.

I said this last year, and wish to say it again! Thank you to all of our staff (Sylvia, Colin G. and Carol) for their ongoing, committed work to Reach4Reality and to our volunteers and fellow board members for their commitment and effort in helping our young people thrive! I've said it before, but I truly mean it. You are *all* very much appreciated. Without you, Reach4Reality cannot do what it does.

As the year progresses, the board and I, along with our staff, will continue to process how future camps and interactions with our young people will develop and grow. These are new and interesting times, but I remain positive in how we will move forward, developing ways in which we can continue to support our young people and their families.

Be safe and God bless,  
Colin Hall  
(aka Slice)  
Vice Chair

Other news;  
Congratulations to Colin G who successfully completed his HNC in Social Service this summer.  
Two volunteers have been trained as Archery Instructors and, thanks to a number of small donations from local companies, we have been able to purchase our own archery equipment and outdoor climbing equipment.

**"It gives him the chance to get out and do something different and to mix with others. As always I can't praise R4R enough"**

2019-2020 started off a very busy year and we were delighted that we were able to team up with Glencoe Outdoor Centre for our first ever sailing camp: a tiring but very enjoyable weekend for all concerned. Overall figures above are obviously slightly lower as towards the end of the financial year activities and camps were cancelled due to Covid-19. Our second Family camp and two weekend camps were cancelled.

We took the decision at the start of lockdown not to place our staff on furlough and were successful in gaining a number of grants to be able to pay salaries over this time. Throughout lockdown we continued to support our young people and families as best we could with regular phone calls, video calls or emails.

In August 2019 we had our annual inspection from the Care Inspectorate as a Support Service and were again delighted to receive a rating of 5 in all areas.
